SUPPLEMENTARY INFORMATION:

On October 18, 2022, the Department of the Interior (DOI) published in the Federal Register (87 FR 63202) a proposed rule to amend the regulations to improve implementation of the Native American Graves Protection and Repatriation Act of 1990. These proposed regulations would clarify and improve upon the systematic process for the disposition and repatriation of Native American human remains, funerary objects, sacred objects, or objects of cultural patrimony. The proposed changes would provide a step-by-step roadmap for museums and Federal agencies to comply with requirements within specific timelines to facilitate the required disposition and repatriation. The proposed changes would describe the processes in accessible language with clear timelines and terms, reduce ambiguity, and improve efficiency in meeting the requirements. In addition, the proposed changes emphasize consultation in every step and defer to the customs, traditions, and Native American traditional knowledge of lineal descendants, Indian Tribes, and Native Hawaiian organizations. The public comment period for this proposal is scheduled to close on Tuesday, January 17, 2023. In order to give the public additional time to review and comment on the proposal, the DOI is extending the public comment period until Tuesday, January 31, 2023. Comments

previously submitted on the proposed rule need not be resubmitted, as they will be fully considered in preparing the final rule.

Shannon Estenoz,
Assistant Secretary for Fish and Wildlife and Parks.
